## PLEDGE TRACKING FORM

Pledges Types:

**PER/SPP** Amount paid per total number of species observed by a given team (60-90 total species expected per team).

**PER/TOT** Amount paid per total number of species observed by all teams combined (100-120 total species expected).

A pledge of \$1 based on the composite total = a \$120.00 donation. **Pledges are tax-deductible** and are for support of the Mississippi Coast Audubon Society. After the Birdathon, sponsors will receive a checklist and summary of the day along with a statement with the amount of donation due. THANK YOU!
